

IQ Test for YOU

Does the following action look like they are interested in Peace ?

Leaving aside Hamas in Gaza, use the example of the West Bank and note that Israel to this day relentlessly continues to build new settlements on stolen Palestinian land, in contravention of many UN resolutions. Settlers inflicting violent attacks on Palestinians to force them to be expelled, whilst building concrete wall enclaves and check points to create an unviable existence for those that remain.

IQ Test for You. Do the above actions in the West Bank suggest that Israel is interested in Peace with the Palestinians ?
